

# OMS MODEL FT-55

## SHRINK RING

- Easy integration over existing conveyors
- Hoods can be applied manually or using a separate hood applicator
- Maintenance at Ground Level
- Optional Gas Reduction Kit

## FEATURES AND BENEFITS

### Easy Integration over Existing Conveyors

Can be installed over existing conveyors without modifications. Pack or Pallet lifting device may be required.

### Patented Hot Air Generators

Efficient hot air generators, powered by LPG or natural gas, distribute heat evenly and consistently ensuring minimal gas consumption and perfectly shrunk packs.

### Ground Level Maintenance

Eliminates risks involved with working at height.

### Optional Equipment

Pedestal or Desk Control Panel, Driven conveyors, Centering device, Pack Lifting, Mark Reader, Pack Height Detection Device, Gas Pressure Reduction Kit (to max. 4 bar or max. 8 bar).

### Safety Guarding Options

Gordian can supply and install perimeter safety guarding if required.

Film	Shrink Polyethylene
Film Thickness	80-200 micron
Min. Conveyor Height	200 mm
Production Speed	Up to 80 pallets/hr (based on L1200 x W1000 x H1500mm)
Gas Type	Propane or methane (butane on request)
Gas Connection Pipe Dia.	min. 1 1/2", depending on distance from supply
Gas Pressure	170 to 200 mbar
Gas Consumption	approx. 0.15 Nm <sup>3</sup> (with propane) approx. 0.18 Nm <sup>3</sup> (with methane)
Avg. Heat Rating*	320kW (4 burners, ea. 80kW).
Compressed Air	N/A
Power Supply	400-415V, 3Ph – 50/60Hz
Power Consumption	approx. 4.5 - 12kW (depending on model).
Operating Temperature	+5°C/+40°C

Dimensions and specifications will vary according to customer requirements.  
\* Dependent on size of machine and application.

### OMS equipment is widely used in a range of industries including:

Building Products, Can & Bottle, Corrugated & Paper, Food & Beverage, Retail, Timber, Waste Baling, White Goods.

All OMS equipment is installed by Gordian Strapping's directly employed Service Team.

## ABOUT GORDIAN STRAPPING

Gordian Strapping is a leading supplier of strapping, stretch wrapping, stretch hooding and shrink hooding machinery, with a range of stand-alone machines and fully automated end-of-line packaging systems.

Our machines are installed and maintained by our team of experienced service engineers across the UK and Ireland.

Gordian is also a leading supplier of PP Strapping, PET Strapping, Banding Tape and Stretch Wrap. Established in 1937, Gordian is a division of the StraPack Corp., a world class manufacturer of strapping machines. Gordian has represented OMS for over 30 years. Established in 1949, OMS is a leading manufacturer of pallet strapping, wrapping and hooding systems.

Gordian Strapping Limited  
Gordian House, Brunel Road, Houndmills Industrial  
Estate, Basingstoke, Hampshire RG21 6XX, UK.
